*Special Instructions:*

Rocky Ridge is a family owned and operated business and has been providing quality upfit packages to General Motors Dealers since 1985. We started out specializing in conversion vans for GM and in recent years have transitioned the business to a full-line Special Vehicle Manufacturer building lift trucks, SUVs, vans and cars. We pride ourselves on delivering quality vehicles, fantastic customer service and the best technical support line in the industry. We mirror GM's Factory 3 year / 36,000 mile warranty. Our vehicles bring additional inventory & significant profits to our dealers.
